

# AZERBAIJAN STATE AGRICULTURAL UNIVERSITY

**Last name:** Safarov

**Name:** Hasafat

**Middle name:** Magomed

**Year of birth:** 10/26/1954

**Telephone:** -

**Mob:** 0554199710

**E-mail:** xasafatsafarov@gmail.com

**Faculty:** Animal Engineering

**Department:** Breeding and feeding farm animals

## EDUCATION, ACADEMIC DEGREE AND ACADEMIC RANK

In 1977, he graduated from the zootechnical faculty of the Azerbaijan State Agrarian University with a degree in zootechnician.

1979-1983 studied full-time postgraduate study at the All-Union Scientific Research Institute of Breeding and Genetics of Farm Animals located in the city of Leningrad. In 1983 he defended his thesis and received the academic title of Candidate of Agricultural Sciences.

## LABOR ACTIVITY

1977-1979 worked as a junior researcher at the Azerbaijan Scientific Research Institute of Animal Husbandry.

1979-1983 studied full-time postgraduate study at the All-Union Scientific Research Institute of Breeding and Genetics of Farm Animals located in the city of Leningrad. After successfully defending his PhD thesis in 1983 and

receiving the academic title of Candidate of Agricultural Sciences, he returned to the Azerbaijan Scientific Research Institute of Animal Husbandry and worked there as a senior researcher and topic manager until 1988.

Since 1988 he has been working at the Azerbaijan State Agrarian University. Currently, he is an associate professor at the department of Breeding and Feeding Farm Animals. Conducts lectures, laboratory classes and seminars: in master's groups on the subjects: "Complete feeding of livestock", "Technology for the production of milk and dairy products", "Repair of the herd of livestock", "Sturgeon fish farming", "Industrial fish farming", "Fish farming and management methods" its food supply", and in undergraduate groups on the subject "Technology of feeding farm animals" (in Russian and Azerbaijani languages).

He is the author and co-author of more than 100 articles, textbooks, teaching aids, guidelines and numerous educational programs.

## **AREA OF STUDY**

Technology of breeding and feeding of farm animals, fish farming and production of fish products

## **PARTICIPATION IN INTERNATIONAL SEMINARS, SYMPOSIA AND CONFERENCES**

1. All-Union Conference of Young Scientists and Specialists, Alma-Ata, 1986
2. All-Union Conference of Young Scientists and Specialists, Baku, 1988
3. V Congress of Young Breeders of Azerbaijan, Baku, 1989
4. All-Union Conference of Young Scientists, Specialists and Students, Ganja, 1991

5. AKTA-75, International Scientific Symposium, Ganja, 2004
6. XVII National Biological Congress, Adana, Türkiye, 2004
7. Scientific and practical conference of graduate students, masters and students dedicated to the topic "Agrarian reforms in the modern era: realities and problems", Ganja, 2009.
8. Modern agricultural science: current problems of the century and development prospects in the context of globalization. International scientific and practical conference dedicated to the 85th anniversary of ASAU, Ganja, 2014.
9. Ichthyofauna of the lower Kura in modern times. Materials of the Republican Scientific and Practical Conference "Heydar Aliyev and Agriculture of Azerbaijan", Ganja, 2022, p.66.

#### Scientific works

1. Cattle breeding in Azerbaijan. Baku, 1991. 152 p.
2. Feeding and maintenance of cattle and buffaloes. Baku, 2009. 120 p.
3. Inheritance of milk productivity of Azerbaijani black-and-white cattle with good feeding and maintenance. Scientific works of ASAU, Ganja, 2009
4. Standardized feeding of farm animals. Ganja, 2010. 67 p.
5. Biochemical and physiological basis of reproduction and productivity of cattle of different origins under normal feeding conditions. Scientific works of ASAU, Ganja, 2010, No. 3, pp. 44-46.
6. Scientific and practical principles of fattening cattle in pasture conditions. Scientific works of ASAU, Ganja, 2011, No. 1, pp. 43-45.
7. Features of growth, development and meat productivity of black-and-white cattle in Azerbaijan. Scientific works of ASAU, Ganja, 2011, No. 2, pp. 54-56.

8. Meat productivity of black cattle and its crosses with the Kostroma breed under normal feeding in the conditions of the Republic of Azerbaijan. Scientific works of ASAU, Ganja, 2012, No. 2, pp. 47-49.
9. The influence of preparing feed for feeding on the milk productivity of cows. Scientific works of ASAU, Ganja, 2019, No. 4, pp. 47-50.
10. About artificial growing of African catfish - *Clarias gariepinus* (Burchell, 1822) in the conditions of Azerbaijan. Scientific works of ASAU, Ganja, 2022, No. 1, pp. 20-25.
11. Ichthyofauna of the lower Kura in modern times. Materials of the Republican Scientific and Practical Conference "Heydar Aliyev and Agriculture of Azerbaijan", Ganja, 2022, p.66.
12. Dairy Productivity of the Azerbaijanian Buffalo Breed under the Conditions of the Duane-S Farm. International Transaction Journal of Engineering, Management, & Applied Sciences & Technologies, Vol. 13(10):2022.
13. Biological characteristics of main commercial fish of the Shamkir reservoir. Journal of Entomology and Zoology Studies 2023; 11(2): p. 1-08.

## **LANGUAGE SKILLS**

Turkish - intermediate

Russian - good

English - weak
